

SHOZO MICHIKAWA

5 DAYS WORKSHOP

SCULPTURE AND TEA

This is Shozo Michikawa's first workshop in Japan. It's held in Sasama, the beautiful and peaceful small village which is surrounded by mountain, river and tea field.

This course will focus on using the wheel to create Shozo's original sculpture technique. Moreover, you'll also learn about how to make tea cup and tea pot with Japanese traditional technique. There will be demonstrations and lecture by Shozo during the workshop. The last day, you can attend to the tea ceremony with tea cup which you make during the workshop.
